RATE CHANGES

Winter Rates: 11/01 to 02/29 \$20 off nightly rate

Spring Rates: 03/01 to 04/30 \$10 off nightly rate

Peak Season: 05/01 to 09/30 normal rates

Fall Rates: 10/01 to 10/31 \$10 off nightly rate

IS THERE A MINIMUM AMOUNT OF TIME THAT WE HAVE TO RENT?

Our minimum rental period is two (2) nights. As we provide insurance for all rentals, offering one-night rentals is not feasible. Therefore, we do not accommodate one (1) night rentals. There is no maximum limit on the number of nights you can rent from us.

WHAT ARE YOUR DEPOSITS?

RESERVATION DOWN PAYMENT

We require a \$500 reservation down payment on all rented units, due at the time of booking. The reservation down payment is non-refundable, and will be applied to your total balance. The remaining balance is due 30 days before your departure date. If you book your rental less than 30 days before your departure date, full balance, plus security deposit, will be due at time of booking.

SECURITY DEPOSIT

A \$1,000 security deposit is required on all rented units. The security deposit is refundable, subject to rental terms and conditions compliance. It is refundable within 30 days of return (it's usually quicker than that), providing the vehicle is clean (inside and outside), gas tank full (for motorhomes) and the vehicle is not damaged or abused. The security deposit is due 30 days before your departure date.

ARE THERE ANY ADDITIONAL FEES?

We charge a \$259 preparation fee, Gardner, KS Sales Tax, and a 3.5% rental tax. The \$259 prep fee covers various items such as dump hose, water hose, a 45-minute training walk-through, propane, tank dump (we handle tank dumping upon return), and insurance. Additionally, for trailers, we supply the hitch, ball, and sway control.

There is an additional \$10 charge that is added to each rental for a toll fee. No matter how many tolls you drive through, this is the only toll charge you will receive.

If you need to modify your reservation, we are happy to assist. Please note that each reservation change incurs a \$50 processing fee per instance. There are no exceptions to this policy.

IS THERE A CHARGE FOR MILEAGE AND GENERATOR?

Yes, but for motorhomes only. You get 100 miles per night free, all additional miles are \$0.59/mile.

You get 5 hours of generator per night free, all additional hours are \$4.00 per hour. We have changed the way we process Unlimited Generator. You still get the same free hours, but the most you will ever spend is \$45/night. For instance, if you are renting for 3 nights and get 15 hours free, but you use 72 hours, the most you will spend on generator is \$135 (the normal price would have been \$228).

Mileage example: 10 night rental = 1,000 miles free (*This is a total number. We do not know how many you drive per night.*)

Generator example: 10-night rental = 50 hours free (*This is a total number. We do not know how many hours you use per night.*)

Please also note that the generator has a meter (just like an odometer) that does not reset after each customer. You may get the RV and it has 58 hours already on it. This does not mean that you used 58 hours on your trip.

There are no mileage charges for trailers, and trailers are not equipped with generators.

WHAT IS YOUR CANCELLATION POLICY?

Cancellations more than 31 days in advance will forfeit their \$500 reservation down payment. **There is no refund if cancelled less than 30 days before departure.** When someone books an RV, there are a lot of steps that go into it on our part to make sure your paperwork and appointment go smoothly.

CAN WE BOOK AN RV TO PICK UP TODAY?

Due to high demand, same-day and next-day reservations are generally not available. However, if you contact us before 11:00 AM, we will make every effort to accommodate your request, availability and scheduling permitting.

IMPORTANT: The renter schedules their appointment times when they book the RV. Our latest return appointment is 3PM Monday through Friday. There is a \$25/hour late fee for any rental that comes back after 3PM. If the RV is not returned by 4PM, the renter will be charged another night's rental. NO EXCEPTIONS.

ARE WE CHARGED FOR SUNDAY EVEN IF YOU ARE CLOSED?

Yes, we rent by the night, so if you plan to return on Monday, you will be charged for Sunday night. If you don't want to be charged for Sunday night, our latest return time on Sunday is 8pm.

WHAT IF I WANT TO PICK UP OR RETURN ON A HOLIDAY?

We are closed on all major holidays (*New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Eve & Christmas Day - we are also close the entire week between Christmas & New Year's*). We do not allow pick up appointments on days we are closed. If you want to pick up on a day we are closed, unfortunately, we do not offer this. You will have to decide if you want to pick it up the day before or the day after the holiday. If you choose the day before, you will have to pay for the extra night. We do not discount for being closed on a Holiday. For instance, Labor Day and Memorial Day both fall on a Monday and we are closed on Sundays, so you would have to pick up either the Saturday before, or Tuesday.

DO I HAVE TO RETURN THE MOTORHOME WITH FUEL?

Yes, we require that you return the motorhome with a full tank of fuel. If the motorhome is not returned with a full tank, you will be charged \$100 plus the cost of fuel at current pump price.

DO YOUR RENTALS COME WITH INSURANCE?

MOTORHOME RENTALS:

Motorhomes come with State Minimum Liability (25/50/25)* as well as all rentals come with Comp, Collision, Fire and Theft. You can purchase Supplemental Liability Insurance through our Insurance company. Ask your rental agent for more information.

TRAILER RENTALS:

Trailers do not come with Liability Coverage. We send a form to the renter's insurance company to fill out and send back. If the insurance company will not or does not send back the form, the customer MUST purchase Liability Coverage through our insurance company for \$9/day. Trailers also come with Comp, Collision, Fire and Theft.

CAN I SCHEDULE MY WALK-THROUGH ON A DIFFERENT DAY THAN MY PICKUP APPOINTMENT?

We do not offer this during the busy season. We cannot guarantee that an RV will be available to offer different date walk-throughs.

WHEN WILL I GET MY SECURITY DEPOSIT BACK?

Your security deposit refund will be processed within 30 days after your return (it's usually much quicker). If there is damage, generator charges or mileage overages, this will come out of your security deposit. If there is damage, the refund could take up to six (6) months.

WHAT CHARGES WILL COME OUT OF MY SECURITY DEPOSIT?

The only charges that will come out of your security deposit would be added nights, additional mileage, generator overages and damage.

WHAT IF I RETURN THE VEHICLE BEFORE THE DATE IT IS DUE?

No refunds will be given for early returns or late pick ups, however, we do refund for unused mileage.

WHAT TIME CAN I PICK UP AND RETURN MY RENTAL?

We schedule our outgoing rentals by appointment as early as 9am (8am on Saturdays) and as late as 3pm. Appointment times are based on first come first serve. For example, if you want the 9am pick up appointment, but this time slot is booked, you will not be able to pick up at 9am. We ask that everyone be on time for their pickup appointments. If one person is late, it pushes our whole day back and makes the rest of the customers' appointments late. We do not allow Sunday or Holiday pickups. When returning the RV, Mon-Sat return is no later than 3PM. Sunday/Holiday/Closed returns are anytime before 8pm.

HOW MUCH DOES IT COST TO STAY AT CAMPGROUNDS?

Campground rates vary based on time of year and what facilities they offer. Generally you can expect to pay between \$10 and \$50 per night.

WHAT IF I WANT TO RETURN THE RV AFTER YOU ARE CLOSED?

We have extended our return policy to include Sundays and holidays. Normally, returns are scheduled by appointment, and upon return, we conduct a thorough check of the RV with the renter. This process allows us to inspect for any damages, missing items, tank levels, and more. In the event that a customer returns the RV when we are closed, such as the evening before their appointment, they will be held responsible for any damages or missing items discovered during the next business day inspection. **WE DO NOT REFUND FOR DAYS NOT USED.**

WHAT IF I MISS MY PICKUP OR RETURN APPOINTMENT?

Appointment times are very important to us. They keep the rentals going in and out smoothly. One late appointment can cause the rest of the day to run behind. There is a \$50/hour late charge for every late pick up appointment. This will be billed by 10-minute increments. If, for any reason, you miss your appointment, a different time will be scheduled based upon our calendar availability.

WHAT KIND OF GAS MILAGE (MPG) WILL I GET WITH A MOTORHOME?

Mileage depends on the size of the motorhome and the driving conditions. Generally, you will get between 7 and 10 miles per gallon on the Class As and the Class Cs. Class Bs are approx. 12 to 15 miles per gallon.

DO YOU OFFER ANY TYPE OF DISCOUNTS?

We offer discounts for Police, Military, Fire and Veteran, with documentation. Our prices decrease in the slower months, as well.

WILL YOU HOLD THE RV FOR A FEW HOURS WHILE I TALK TO MY FAMILY?

Unfortunately, we have had too many "holds" not get back to us. We lose a lot of business from this and no longer offer it. Please feel free to call in and get all of your questions answered, and call us back when you are ready to book. This also applies to online bookings. We will hold the booking until 1:00 pm the following business day.

DO YOU OFFER ANY KIND OF ROADSIDE ASSISTANCE?

Roadside assistance is available for the renter to purchase for \$15/day. Visit MBAroadside.com for additional information.

DO I NEED A SPECIAL DRIVER'S LICENSE TO DRIVE A MOTORHOME?

All you need is to be 25 years of age or older and possess a valid state issued driver's license. No special class or permit is needed. The Motorhomes are labeled Class A and Class C, but this does not pertain to your driver's license. It is just how they are distinguished. If you look on the back of our Driver's License, it will show that you can drive up to a certain weight (for example 26,001 lb), our largest motorhome is 18,000 lbs gw.

CAN I CHANGE MY RESERVATION AFTER IT IS BOOKED?

You can! If for any reason you need to change your reservation, we would be happy to do that for you. However, each change will result in a \$50 fee per change. Each change requires us to spend about 10 to 15 minutes per reservation making the changes. This doesn't seem like a lot of time, but if everyone changes, that is a lot of time spent fixing reservations. We have an entire checklist that we complete every time someone books a reservation. When someone changes anything on the reservation, all of those steps have to be repeated.

DO YOU OFFER DISCOUNTS FOR RETURN RENTERS?

Yes, we offer **10%** off the base rental of your future rentals. We occasionally run monthly promotions, so ask your rental agent about the current promotion. Promotions and discounts cannot be combined.

WHAT DOCUMENTATION DO I NEED TO PROVIDE?

- 1 Current, valid driver's license. The license must not expire during the rental period. Any additional drivers to be added on the contract must have their current drivers license as well and must be present at pickup. Our contract only has room for 4 drivers, including the renter.
- 2 A major credit card with sufficient available credit.
- 3 If you are an International customer, please bring your Passport.
- 4 **ALL DRIVERS MUST BE PRESENT AT THE TIME OF PICKUP - NO EXCEPTIONS.** If a driver isn't present at time of pickup, they will be removed from the contract and will not be able to drive the RV.

DO I HAVE TO RETURN THE RV WITH PROPANE?

We would like to fill the propane ourselves. We send the unit out with a full tank(s). The cost of the propane is included in the \$259 prep fee.

DO YOU OFFER "ONE WAY" RENTALS?

No, we do not have a "one way" rental option.

ARE MOTORHOMES DIFFICULT TO HOOK UP?

No. At departure you will be given a 30-45 minute familiarization tour and learn how to hook it up and operate appliances.

CAN I ADD ADDITIONAL DRIVERS TO THE CONTRACT?

Yes, however, there can only be 6 drivers on the contract, including the renter. All drivers must have a valid driver's license that will not expire during the length of the motorhome rental contract. **ALL DRIVERS MUST BE PRESENT AT THE TIME OF PICKUP - NO EXCEPTIONS.** If a driver isn't present at time of pickup, they will be removed from the contract and will not be able to drive the RV.

ARE PETS ALLOWED IN THE RVs? DO YOU HAVE ANY RVs THAT AREN'T PET FRIENDLY?

THE "INVISIBLE PET" STANDARD

At Olathe Ford RV Center, we're proud to be a pet-friendly rental facility. We know that pets are family, and there's nothing better than hitting the road with your furry co-pilot riding shotgun (or napping in the back). That's why we welcome pets in our rental units (ALL of our RVs are pet friendly).

WHAT IS AN "INVISIBLE PET"?

We call it the "Invisible Pet" policy because, by the time your RV is returned, there should be no trace that an animal was ever inside. No odors, no fur, no damage. Just a clean, neutral space ready for the next traveler—pet owner or not.

WHAT WE SHOULD NOT SEE OR SMELL?

If any of the following are present upon return, charges may apply:

- Pet hair, dander, food
- Stains, scratches, tears on upholstery or carpet
- Chewed or clawed wood, trim, doors or furniture
- Damage to window screens, blinds or coverings
- Any lingering pet odors or smells

FEES & CHARGES

- If the unit smells of pet odors upon return, a \$250 Deodorizing & Deep Cleaning Fee will be charged.
- If any physical damage caused by a pet is found, the cost of repair will be deducted from the Security Deposit.
- Failure to disclose a pet before departure will result in a \$50 per night fee, applied retroactively for the full duration of your rental.

WHERE CAN I SERVICE THE HOLDING TANKS?

Most campgrounds and truck stops have waste disposal facilities to drain both your black and gray tanks. If you are traveling long distance, you will want to do this to help with the cost of gas. The heavier the RV, the more fuel you will use.

HOW DO I PAY FOR THE RENTAL?

All fees are payable by cash or on a major credit/debit card. You are welcome to make payments on your rental, but you will have to call to make the payments. We won't remember to do it for you. All payments must be made 30 days before the rental.

****Please note - as of January 1, 2026, there will be an additional 3% processing fee on all CREDIT CARD transactions (including the Security Deposit). Debit Card transactions will not incur this fee.****

CAN I TOW BEHIND THE MOTORHOME?

Yes, you can tow behind our motorhomes. Each motorhome will tow a different amount of weight. Check the specifications on the specific unit you are interested in to see the tow rating. Also, in order to tow, you have to own all of the components. You can not pull something rented with something rented. Example: If you want to tow a trailer behind a rented motorhome, you have to own the trailer. If you want to tow a car behind a rented motorhome, you have to own the car AND the dolly. You cannot rent a dolly to tow your car.

WHAT FACILITIES MIGHT A CAMPGROUND OFFER?

WILL THE TVS WORK WHILE DRIVING?

- * We give 100 miles per night free. They don't. Yes, they may only charge \$0.35 per mile, but you don't get any free.
